What we offer

Our products and services provide choice and flexibility to help meet unique client needs so they can look to the future with confidence.

- + Retirement solutions and services**
Group retirement plans and services for not-for-profit employers and their employees, and an expansive portfolio of annuity solutions for individuals.
- + Family protection**
Term, universal and index universal life insurance product solutions.
- + Institutional offerings**
Pension risk transfer, structured settlements, guaranteed investment contracts, institutional annuities and life insurance, and more.

Our balanced portfolio across the Corebridge enterprise—Individual Retirement, Retirement Services, Life Insurance and Institutional Markets—enables us to manage risk, maximize growth opportunities and help drive positive outcomes for those we serve.

Individual Retirement

As a pioneer in the annuity industry, we have been focused on retirement savings and income needs for decades. We are among the top providers of annuity products in every major annuity line of business, including index, variable and fixed annuities. We have ranked either #1 or #2 in annuity sales for the past nine years.

Our proven knowledge in product design is reflected in our expansive suite of retirement solutions that offer opportunities for growth, protection and guaranteed lifetime income. We have a long and successful track record of innovation in the variable annuity market and, more recently, in leveraging product design and business partnerships to create unique offerings in both index and fixed annuity products. Tiered income structures, bespoke indices and defined outcome strategies allow us to create products that are differentiated and offer clients more options to support their retirement needs.

We have a diversified earnings base, which is supported by our diverse business offerings. Our balance sheet is strong and well-structured to support our business goals and help maximize performance, and each of our U.S. life insurance companies maintains a strong capital position.

Strength through partnerships

Corebridge utilizes a hybrid model for our general account investment management, in which we manage certain asset classes internally and partner with world-class institutions that serve as investment managers for other asset classes. This “manager of managers” approach is designed to enhance our competitiveness and expand our capabilities and scalability. Our partners include:

- **Blackstone**, one of the most recognized firms in asset management,* helps enable accelerated growth opportunities in our retail and institutional product lines, with a focus on returns adjusted for risk.
- **BlackRock**, one of the leading providers of investment, advisory and risk management solutions,** will manage up to \$90 billion of assets in our investment portfolio, providing a “scale and fee” structure that is designed to help improve performance by optimizing our investment operating model.

** \$7.9 trillion AUM as of September 30, 2022.

Employees and impact

Each and every day, our employees strive to make a positive impact on millions of lives—including the individuals and institutions we serve, as well as the communities where we live and work.

We are committed to creating an inclusive workplace focused on attracting, retaining and developing diverse talent that fosters a culture of belonging for all employees. Our Diversity Council and Employee Resource Groups work to ensure Diversity, Equity and Inclusion (DEI) initiatives are an integral part of our business strategies, facilitate networking and connections with peers, and support a culture of inclusion and engagement within the company.

We seek to act responsibly as we do business, to help forge a better, fairer, more sustainable world. Environmental, Social and Governance (ESG) values are embedded into our culture, the products and services we offer, and the actions we take. Our former parent company, AIG, has built a strong ESG foundation and we are leveraging this framework as a starting point for our approach, which will evolve over time.

Experienced leaders focused on a successful future

Life insurance and annuities issued by American General Life Insurance Company (AGL), Houston, TX, except in New York, where issued by The United States Life Insurance Company in the City of New York (US Life). Certain annuities are issued by The Variable Annuity Life Insurance Company (VALIC), Houston, TX. Variable annuities are distributed by AIG Capital Services, Inc., member FINRA. Guarantees are backed by the claims-paying ability of the issuing insurance company and each company is responsible for the financial obligations of its products. AGL does not solicit, issue or deliver policies or contracts in the state of New York. AGL, US Life and VALIC have received strong financial strength ratings from independent ratings agencies, reflecting their financial stability and ability to meet obligations to their policyholders and others.

Ratings were last updated March 29, 2022. Ratings are subject to change at any time. Standard & Poor's ratings are a measure of claims-paying ability and range from AAA (Extremely Strong) to R (Regulatory Action), while Moody's ratings measure financial security and range from AAA (Exceptional) to C (Extremely Poor). A.M. Best's ratings measure claims-paying ability and range from A++ (Superior) to F (in Liquidation). Fitch ratings are a measure of insurer financial strength, ranging from AAA (Exceptionally Strong) to C (Distressed). Only the fixed account protection features, income payments, and guarantees are backed by the claims-paying ability of the issuing insurance company.
